Padma Shri Dr. M Mohan Babu
Chancellor, Mohan Babu University

Are you ready to embark on a journey where technology meets innovation, and data transforms into insights? At Mohan Babu University, we take pride in introducing our cutting-edge B.Tech Computer Science and Engineering (Data Sciences) program. In a world driven by data, our program is meticulously crafted to shape the next generation of data scientists and engineers.

Our 4-year B.Tech Computer Science and Engineering (Data Science) program is designed to cultivate skilled professionals with a unique blend of computer science, data analysis, and business acumen. In an era where data is the new currency, our curriculum is curated to equip students with essential skills such as programming, statistical analysis, machine learning, mathematical reasoning, knowledge discovery, and data visualization. By blending theoretical

knowledge with practical applications, our students are prepared to make a significant impact in the dynamic field of data science.

Join us at Mohan Babu University's Department of Data Sciences and become a part of a vibrant community of learners, innovators, and future data leaders. Let your passion for technology and data thrive in an environment that encourages creativity and excellence.

Empower your future with data at Mohan Babu University!
