EXAMINATION AND EVALUATION SYSTEM

All components in any Program of Study shall be evaluated through Internal Evaluation and/or Semester End Evaluation. Internal Evaluation includes Continuous Internal Assessment Tests, Reviews, Experiential Learning, Project Based Learning, etc.

Course Type	Marks	Examination and Evaluation	Scheme of Examination
Theory	30	1 Credit: Continuous Internal Assessment Tests (CIATs) for 60 Minutes duration	For Regular Semester: Two CIATs each for 50 marks shall be conducted and each shall be scaled to 30 marks. For a total of 30 marks, 80% of better one of the two and 20% of the other one are added and finalized, any fraction shall be rounded off to the higher integer number. CIAT-I: Shall be conducted after first spell of instruction. The syllabi shall be from Module-I & II. CIAT-II: Shall be conducted after second spell of instruction. The syllabi shall be from the remaining Modules (Except Module-I & II). For Summer Semester: The process remains same as Regular Semester except CIAT-I & II shall be conducted after the last working day of instructions.
		2 and above Credits: CIAT for 90 Minutes duration	* For 1 Credit: The question paper shall of descriptive type with two parts i.e., Part-A and Part-B. Part-A shall contain 5 short answer questions [Q. No. 1 (a) to (e)] and evaluated each for 2 mark. Part-B shall contain two EITHER/OR type questions [totally four questions from Q. No. 2 to 5)] of which student has to answer one from each EITHER/OR type question and shall be evaluated each for 20 marks. Part-B of CIAT-I have two EITHER/OR type questions. One question from each Module. Part-B of CIAT-II have two EITHER/OR type questions proportionately from the remaining Modules.
		* For 2 and above Credits: The question paper shall of descriptive type with two parts i.e., Part-A and Part-B. Part-A shall contain 10 short answer questions [Q. No. 1 (a) to (j)] and evaluated each for 2 mark. Part-B shall contain two EITHER/OR type questions [totally four questions from Q. No. 2 to 5)] of which student has to answer one from each EITHER/OR type question and shall be evaluated each for 15 marks. Part-B of CIAT-I have two EITHER/OR type questions. One question from each Module. Part-B of CIAT-II have two EITHER/OR type questions proportionately from the remaining Modules.	
	20	Experiential Learning	Faculty shall notify the components of experiential learning and its evaluation methods in the Course Handout after approval of BOS Chairperson before the start of class work. The evaluation shall be for 20 Marks.
	50	Semester End Examination for 180 Minutes duration	The examination shall be conducted for 100 marks and scaled to 50 marks. The question paper shall of descriptive type with two parts i.e., Part-A and Part-B. Part-A shall contain 10 short answer questions [Q. No. 1 (a) to (j)] and evaluated each for 2 marks. Part-B shall contain Five EITHER/OR type questions [totally Ten questions from Q. No. 2 to 11)] of which student has to answer one from each EITHER/OR type question and shall be evaluated each for 16 marks.

Course Type	Marks	Examination and Evaluation	Scheme of Examination
Theory with Practical	30	Shall be followed the same as mentioned in course type "Theory" under CIATs.	
	20	Experiential Learning	Day-to-Day evaluation based on the performance in the conduction of laboratory experiments and its Records for 20 marks. Each exercise shall be evaluated for 20 marks and average of all exercises shall be the final marks.
	50	Semester End Examination	Shall be followed the same as mentioned in course type "Theory" under "Semester End Examination".
Theory with Project-Based Learning(S)	30	Shall be followed the same as mentioned in course type "Theory" under CIATs.	
	20	Project Based Learning	Faculty shall notify the problem statement of the Project and its evaluation methods in the Course Handout after approval of BOS Chairperson. The evaluation shall be for 20 Marks.
	50	Semester End Examination	Shall be followed the same as mentioned in course type "Theory" under "Semester End Examination".
Theory with Practical and Project-Based Learning(S)	30	Shall be followed the same as mentioned in course type "Theory" under CIATs.	
	10	Experiential Learning	For Practical: Day-to-Day evaluation based on the performance in the conduction of laboratory experiments and its Records for 20 marks. Each exercise shall be evaluated for 20 marks and average of all exercises shall be scaled to 10 marks.
	10	Project Based Learning	Faculty shall notify the problem statement(s) of the PBL and its evaluation methods in the Course Handout after approval of BOS Chairperson. The evaluation shall be done for 20 marks and scaled to 10 marks.
	50	Semester End Examination	Shall be followed the same as mentioned in course type "Theory" under "Semester End Examination".
Practical	50	Experiential Learning	Day-to-Day evaluation based on the performance in the conduction of laboratory experiments and its Records for 20 marks. Each exercise shall be evaluated for 20 marks and average of all exercises shall be scaled to 50 marks.
	50	Semester End Examination	Examination shall be conducted for 50 Marks.
Practical with Project-Based Learning(S)	40	Experiential Learning	Day-to-Day evaluation based on the performance in the conduction of laboratory experiments and its Records for 20 marks. Each exercise shall be evaluated for 20 marks and average of all exercises shall be scaled to 40 marks.
	40	Semester End Examination	Examination shall be conducted for 50 Marks and scaled to 40 Marks.
	20	Project Based Learning	Faculty shall notify the problem statement of the Project and its evaluation methods in the Course Handout after approval of BOS Chairperson. The evaluation shall be for 20 Marks.

Course Type	Marks	Examination and Evaluation	Scheme of Examination
Project Based Learning	100	Internal Evaluation	Faculty shall notify the problem statement(s) of the PBL and its evaluation methods in the Course Handout after approval of the BOS Chairperson. The progress of the work shall be monitored periodically and evaluation shall be on the basis of TWO reviews. Each review shall be conducted for a maximum of "100" marks. For a total of 100 marks, 80% of better one of the two and 20% of the other one are added and finalized.
Clinical Posting	100	Experiential Learning	Day-to-Day evaluation based on the performance in implementing various techniques at clinical departments including maintenance of log book/work diary, continuous appraisals and its Records for 20 marks. Each assessment shall be evaluated for 20 marks and the average of all exercises shall be scaled to 100 marks.
Clinical Training	50	Experiential Learning	Day-to-Day evaluation based on the performance in the clinical assessment of patients including maintenance of log book/work diary, continuous appraisals and evidence-based patient-centric treatment and its Records for 20 marks. Each assessment shall be evaluated for 20 marks and the average of all exercises shall be scaled to 50 marks.
	50	Semester End Examination	The examination shall be conducted for 50 Marks.
Literature Review and Teaching-I, II, III & IV	100	Experiential Learning	<p>Literature Review: In a Semester Journal: The student shall refer Two Journal Papers and the synopsis of each article shall be presented to Evaluation Committee (EC). Each presentation shall be evaluated for 25 marks. The maximum marks for this component shall be 50.</p> <p>Seminar: The student shall collect discipline-specific information through a literature survey on a specialized topic and shall be presented to EC showing his understanding of the topic. The presentation shall be evaluated for 30 marks.</p> <p>UG Teaching: In a Semester The student shall deliver a discipline-specific lecture of Three periods for Under Graduate Students in the presence of EC. Each lecture shall be evaluated for 20 marks and the average of all shall be finalized for 20 marks.</p>
Community Camp-I, II	-	Experiential Learning	During the program of study, the student has to be involved in a minimum of two community/health camps conducted by the University for which 1 Credit shall be awarded. The involvement has to be certified by the HOD/School Dean for the award of credit.

12.1 Experiential Learning

The list of components that shall be offered in experiential learning

- ✓ Seminars
- ✓ Assignments
- ✓ Surprise Tests
- ✓ Multiple Choice Quizzes
- ✓ Model development/Chart preparation
- ✓ Presentations
- ✓ Publications
- ✓ Poster Presentation
- ✓ Group Discussion
- ✓ Debate
- ✓ Puzzle, Enigma, Contradiction
- ✓ Think / Pair / Share
- ✓ Role Play
- ✓ Video Synthesis
- ✓ Technical Talks
- ✓ Field Visits
- ✓ Field Work
- ✓ Self-Study-NPTEL/MOOC/Swayam
- ✓ Online Certifications
- ✓ Mini-Projects
- ✓ Case-Study
- ✓ Group Activities
- ✓ Market Survey
- ✓ Virtual Lab Development, etc.

A combination from among one or more of the above options shall be notified for each course under the experiential learning.

12.2 Internship

The student shall undergo an Internship in an Industry/National Laboratories/ Academic institution relevant to the branch specific or interdisciplinary for FOUR weeks duration during summer vacation. This course shall be registered in the subsequent semester immediately after the summer vacation. The Internship shall be submitted in a report form, and a presentation of the same shall be made before an Internship Evaluation Committee (IEC) and it shall be evaluated for 100 marks. The IEC shall consist the concerned Supervisor and a Senior Faculty Member of the Department nominated by Head of the Department with the approval of the respective School Dean. If required, multiple IECs shall be constituted for multiple sections with prior approval.

12.3 Seminar

The student shall collect information through literature survey on a specialized topic and prepare a technical report, showing his understanding of the topic, and submit it to the Seminar Evaluation Committee (SEC) followed by a presentation of the same shall be made before the SEC and shall be evaluated for 100 marks.

The report and the presentation shall be evaluated at the end of the semester by the SEC consisting of concerned supervisor and one senior faculty member. The SEC shall consist the concerned Supervisor and a Senior Faculty Member of the Department nominated by Head of the Department with the approval of the respective School Dean. If required, multiple SECs shall be constituted for multiple sections with prior approval.

12.4 Capstone Project for UG Programs & PG Programs (other than M.Tech):

Continuous Evaluation: The Continuous Evaluation shall be made by the Project Evaluation Committee (PEC) consisting of concerned supervisor and two senior faculty members, on the basis of TWO project reviews on the topic of the project. Each review shall be conducted for a maximum of "100" marks. For a total of 100 marks, 80% of better one of the two and 20% of the other one are added and finalized. The PEC is constituted by the respective School Dean on the recommendations of the Head of the Department.

Semester End Evaluation: The Semester-end evaluation shall be conducted by a Committee consisting of an External Examiner, HOD and concerned Supervisor. If required, multiple committees shall be constituted for multiple sections with prior approval. The External Examiner shall be nominated by the respective School Dean from the panel of Examiners submitted by the Department.

The evaluation of project work shall be done at the semester-end of the program of study for a maximum of "100" marks. The weightages for the semester-end evaluation of project work shall be 40% for Project Report and 60% for Viva-Voce.

The dissertation certified in the prescribed format by the concerned Supervisor and HOD shall be submitted at one copy to the Department and one copy to the Controller of Examinations in addition to student copy.

12.5 Project Work - Phase I & II for M.Tech Program:

Project Work–Phase I: A student has to take up and complete Project Work–Phase I in III-Semester. He/she has to identify the topic of the Project Work, collect relevant Literature, preliminary data, implementation tools/ methodologies etc., and perform a critical study and analysis of the problem identified and submit a Report.

The Project Evaluation Committee (PEC) consisting of concerned supervisor and two senior faculty members shall monitor the progress of the project work of the student. The PEC is constituted by the respective School Dean on the recommendations of the Head of the Department.

- (i) **Internal Evaluation:** The Internal Evaluation of Project work – Phase I shall be made by the PEC on the basis of TWO project reviews on the topic of the project. Each review shall be conducted for a maximum of "100" marks. For a total of 100 marks, 80% of better one of the two and 20% of the other one are added and finalized.
- (ii) **Semester end Evaluation:** The semester-end Project Work Phase-I Viva-Voce examination shall be conducted by the concerned guide and a senior faculty member recommended by the Head of the Department and appointed by the respective School Dean.

Project Work – Phase II: A student shall continue Project Work–Phase I in order to undertake the Project Work Phase II during the IV-Semester by extending practical investigations, implementation, analysis of results, validation and report writing. The student shall submit a Project report at the end of the semester after approval of the PEC.

- (i) **Internal Evaluation:** The Internal Evaluation of Project work Phase-II shall be made by the PEC by conducting TWO project reviews on the progress, presentations and quality of work. Each review shall be conducted for a maximum of "100" marks. For a total of 100 marks, 80% of better one of the two and 20% of the other one are added and finalized.
- (ii) **Semester End Evaluation:** A candidate shall be allowed to submit the dissertation on the recommendations of the PEC. Three copies of the dissertation certified in the prescribed format by the concerned Supervisor and HOD shall be submitted to the Department. One copy is to be submitted to the Controller of Examinations and one copy to be sent to the examiner. The examiner shall be nominated by the School Dean from the panel of THREE examiners submitted by the Department for a maximum of 5 students at a time for adjudication.
 - ❖ If the report of the examiner is favorable, Semester-end Project Work Phase-II Viva-Voce Examination shall be conducted by a Committee consisting of External examiner (nominated by the School Dean), HOD and concerned Supervisor at the end of the IV-Semester.
 - ❖ If the report of the examiner is not favorable, the dissertation should be revised and resubmitted after a minimum period of three months.
 - ❖ The students who fail in Project work Phase-I (or) Phase-II Viva-Voce examination shall have to re-appear for the Viva-Voce examination after three months.
 - ❖ Extension of time for completing the project is to be obtained from the Chairman, Academic Council, MBU.
 - ❖ Change of the project work topic shall be permitted only in Project Work Phase-I, within FOUR weeks after commencement of the III-Semester with the approval of the PEC.

12.6 Dissertation

The student shall start collecting information from I-Semester and has to continue till the last semester of program of study. The evaluation shall be in the Final Semester of the program of study. The guide/supervisor shall be assigned during I-Semester itself and the guide has to monitor the progress of the work periodically. The student has to register the title of study within 4 months from the start of I-Semester by submitting a synopsis to HOD/School Dean.

The dissertation is aimed to train a postgraduate student in research methods and techniques. It includes identification of a problem, formulation of a hypothesis, search and review of literature getting acquainted with recent advances, designing of a research study, collection of data, critical analysis, and comparison of results and drawing conclusions. Every candidate pursuing MPT degree course is required to carry out work on a selected research project under the guidance of the supervisor. The result of such a work shall be submitted in the form of a dissertation in the final semester of program of study. Any change in the dissertation topic or guide should be informed to the School Dean for its approval.

The Semester end examination shall be conducted by a Committee consisting of an External Examiner, HOD and guide/supervisor. The External Examiner shall be nominated by the respective School Dean from the panel of Examiners submitted by the Department.

The dissertation certified in the prescribed format by the concerned Supervisor and HOD shall be submitted at one copy to the Department and one copy to the Controller of Examinations in addition to student copy.

12.7 Activity Based Courses (Eg.: NCC/NSS Activities, Yoga):

If a student registers for Mandatory courses like NCC/NSS activities, Yoga, etc., he/she shall participate in such activities for a minimum of 15 hours per Credit. The credits shall be awarded on the successful completion of the requisite number of hours of participation and other requirements as specified by the concerned.

12.8. Recounting /Revaluation/Personal Verification/ Challenging Evaluation:

Students shall be permitted to apply for Recounting /Revaluation/Personal Verification/ Challenging Evaluation of the Semester End Examination answer scripts within a stipulated period after payment of the prescribed fee. After completion of the process of Recounting/ Revaluation/Personal Verification/ Challenging Evaluation, the records are updated with changes if any, and the student shall be issued a revised grade sheet. If there are no changes, the student shall be intimated the same through a notice.

1. Massive Open Online Course (MOOC)

A Student shall be permitted to pursue courses through MOOC to the maximum extent of **20% of courses**, during the program of study. A Student who got admitted under Lateral Entry shall be permitted to pursue courses through MOOC to the maximum extent of **30% of Courses**, during the program of study. The duration of the course pursued through MOOC shall be for a minimum period of 08 weeks.

- ❖ The list of courses along with MOOC service providers shall be identified by the concerned Department shall be notified to the students after approval from the respective BOS Chairperson/Head of the Department. In case, if a student identifies a course on his own which is not listed in the notified list, the same shall be get it approved by BOS Chairperson/Head of the Department after quality check.
- ❖ The student has to submit MOOC certificate with percentage of Score earned to the Head of the Department at the end of the semester. Based on the score earned, the equivalent Grade Point and Credits will be assigned.
- ❖ Attendance is not applicable for MOOC Course and the same is not monitored.
- ❖ If the student registers for a MOOC course with the service provider in a semester, then, he/she shall be permitted to submit the certificate either in the same semester or immediate next semester. If the student fails to submit the MOOC certificate with in the above stipulated time, his performance in MOOC will be shown as "Fail" in the Grade sheet. Then the student shall re-register course.

2. Course Wise Grading of Students

Each student shall be awarded Letter Grades and Grade Points (GP) based on the aggregate of marks obtained through Internal Evaluation and Semester End Evaluation in a course. Based on the type of course either relative grading system or absolute grading system is followed.

14.1 Absolute Grading

The letter grades and the corresponding grade points are in accordance with the UGC guidelines, as detailed below.

% of Marks obtained	Letter Grade	Description of Grade	Grade Points (GP)
≥90	O	Outstanding	10
≥80 to <90	A+	Excellent	9
≥70 to < 80	A	Very Good	8
≥ 60 to < 70	B+	Good	7
≥ 55 to < 60	B	Average	6
≥ 50 to < 55	C	Pass	5
<50	F	Fail	0
Absent	Ab	Absent	0

A student is considered to have successfully completed a course and earned the credits if he / she secured a letter grade other than F or Ab or I in that course. A letter grade F or Ab or I in any course implies a failure in that course.

Absolute Grading shall be adopted for the following courses.

- I. Practical courses
- II. Practical with Project Based Learning courses

- III. Seminar courses
- IV. Internship Courses
- V. Mandatory courses
- VI. Project Courses
- VII. Comprehensive Assessment
- VIII. Courses pursued through MOOC
- IX. In any course, if the student's strength is less than 12

Pass Marks: If Absolute Grading is applied for a course then, A student shall be declared as "PASS" in a course if he/she secures a minimum of 50% of the total marks obtained from CIAT and Semester End Evaluation. Otherwise, he/she shall be declared as "FAIL" in that course.

For the courses like NCC/NSS, Yoga and similar Activity based courses, the student shall be declared as "PASS" if he/she satisfies the concerned course requirements.

14.2 Relative Grading

Student is awarded a letter grade and the corresponding grade points based on the individual performance of the student, linearly relative to the performance of the class in the particular course. The grade points are assigned to each course based on the fitment in the linear space model consisting of seven bands. The bands from the top to bottom are graded as O, A+, A, B+, B, C and F respectively. The grade monitoring committee in consultation with Vice Chancellor shall have the final decision on allotment of grades to the students. The committee may also recommend changes in grade range when special case arise considering class size etc, to the result passing committee. However, for such courses with less than 21 students, absolute grading is followed.

Linear Space Model

Develop bins of equal weights between the minimum marks and the maximum marks obtained by the student.

Linear Space Modeling

Each bin is labeled as grade names as: (seven bins)

Marks that belong to last bin are declared as fail grade.

14.3 Semester Grade Point Average (SGPA): SGPA shall be calculated as given below on a "10 point scale" as an index of the student's performance:

$$SGPA = \frac{\sum (C \times GP)}{\sum C}$$

Where "C" denotes the "credits" assigned to the courses undertaken in that semester and "GP" denotes the "grade points" earned by the student in the respective courses.

Note: SGPA is calculated only for the candidates who appeared in the semester-end regular examinations in a particular semester.

14.4 Cumulative Grade Point Average (CGPA):

The CGPA shall be calculated for a candidate who appeared in the Semester End Examination (including Regular & Arrear) till that semester. The CGPA shall be displayed in the Grade sheet of the Regular Semester-end examinations and also in the consolidated Grade Sheet issued at the end of the program. The CGPA is computed on a 10 point scale as given below:

$$CGPA = \frac{\sum (C \times GP)}{\sum C}$$

Where, C denotes the credits assigned to courses undertaken up to the end of the Program and GP denotes the grade points earned by the student in the respective courses.

Both SGPA and CGPA shall be rounded off to 2 decimal points and reported in the transcripts.

6. CATEGORIES OF SCHOLARSHIPS

6.1 FEE CONCESSION: The Fee Concession will be given to the needy students upto 100% of Tuition fee, provided the total family annual income does not exceed and amount of Rs. 5,00,000/-.

6.2 MERIT SCHOLARSHIP: In order to attract meritorious students merit scholarships will be awarded in all UG Programs. The Scholarships Committee will decide the eligibility criteria for the award of scholarships, which may range up to 100% concession on tuition fees. This scholarship will be for the first academic year only. The Merit will be determined based on the score in the qualifying examination. The students will apply for these scholarships and the Scholarship Committee will take the final decision in this respect.

6.3 SCHOLARSHIP FOR GIRLS STUDENTS: In order to attract girls in both technical and non-technical programs at UG/PG levels, and to maintain gender diversity, the girls students may be awarded a fee concession upto 25% of the tuition fee.

6.4 MERIT SCHOLARSHIP FOR STUDENTS WHO ARE GRADUATED TO THE II/III & IVTH YEAR OF THEIR PROGRAM: Based on the number of students registered for a program, the Scholarship Committee can decide the number of scholarships to be awarded in each program. The fee concession in such a case may vary from 10% to 25% of the tuition fees. The eligibility criteria will be based on a minimum CGPA to be obtained by the student as determined by the Scholarship Committee.

6.5 SPORTS & ATHLETICS MERIT SCHOLARSHIP: The University will award Sports Merit scholarships to students who have:

- a. One State Level award (1st to 3rd position) and have represented their state at national level
