### VIBRANT CAMPUS LIFE

- 65+ Hobby Clubs
- 13 IEEE Technical Societies
- 12 ACM Special Interest Groups
- 45 Acre CCTV Secured Campus
- Sports Infrastructure for Cricket, Basketball, Football, Badminton, Volleyball, Lawn Tennis
- 5 Star Rated Hostel Facility

### GLOBAL ADVANTAGE @MBU

International collaborations with Top 100 Global Universities for Student Exchange and Study Abroad Programs

### JOINT CERTIFICATION PROGRAMS WITH TOP INTERNATIONAL UNIVERSITIES

### RANKINGS AND ACCREDITATIONS\*

Ranked 201-300 Band

Ranked 51-100 Band-2023

Accredited Programs

AICTE-CII Survey Platinum Category

Listed in Top 20 Universities of India

RANKED 3.5 STAR

\*All the Accreditations and Recognitions are for SVET Colleges now known as Mohan Babu University

## PIONEER THE DATA-DRIVEN FUTURE

With B.Tech Artificial Intelligence & Data Science @MBU

**Dream Big. Achieve Bigger.**

**Dr. M Mohan Babu**  
Chancellor, Mohan Babu University

At the core of Mohan Babu University's innovation ecosystem is our B.Tech program in Computer Science and Engineering (Artificial Intelligence and Data Sciences). This transformative journey equips students with the advanced skills and knowledge necessary to excel in the rapidly evolving fields of Artificial Intelligence (AI) and Data Sciences (DS).

Our program is a unique blend of computer science, AI technologies, and data science techniques, designed to prepare students for the challenges of tomorrow. By integrating theoretical insights with practical applications, we empower students to excel in data engineering, data visualization, deep learning, natural language processing, and predictive analytics. Our meticulously crafted curriculum ensures that students are ready to tackle real-world problems and drive innovation in the field of AI and Data Sciences.

Join us on this academic adventure, where creativity meets expertise to shape the next generation of AI and Data Science leaders. Explore the limitless potential of data-driven technologies and become part of a vibrant community dedicated to advancing the frontiers of Artificial Intelligence and Data Sciences. Welcome to a transformative journey at Mohan Babu University!

## PROGRAM HIGHLIGHTS

- Industry-Ready Curriculum: Designed to bridge the gap between academic concepts and industrial applications in AI and Data Science.
- State-of-the-Art Laboratories: Fully equipped AI and DS labs featuring cutting-edge GPU-enabled systems for advanced hands-on learning.
- Big Data & Generative AI Mastery: Comprehensive training in big data processing and generative AI programming to meet emerging tech demands.
- Continuous Evaluation Program: Focused on placement readiness with regular assessments and skill enhancement initiatives.
- Innovative Teaching Methods: Employing flipped classrooms, project-based learning, and mind-mapping to foster critical thinking and innovation.
- Dynamic Learning Environment: Engaging lectures, real-world case studies, group discussions, and interactive projects to prepare students for real-world challenges.
- Proven Research Excellence: Faculty and students have published over 225 high-quality research articles in prestigious journals and conferences within the last two years.
- Funded Research Opportunities: Projects supported by Rs. 40 lakhs in DST funds, enabling groundbreaking advancements in AI and Data Sciences.

## WHY CHOOSE THIS PROGRAM?

### THE MBU ADVANTAGE

- Academic to Industry Program: Seamlessly transition into industry roles with skills tailored to employer demands.
- Placement-Ready Training: The Continuous Evaluation Program for Placement Readiness (CEPPR) ensures you are consistently prepared for the job market.
- Global Communication Mastery: The Training for English Proficiency (TEP) program equips you with essential communication skills for international opportunities.
- Expert Faculty: Learn from PhD-qualified professors with extensive expertise in AI and Data Sciences.
- Exclusive Industry Partnerships: Benefit from collaborations with top software companies for student skilling, internships, and training.

## INSTITUTIONAL PLACEMENTS

**110+**  
Multinational Corporations  
visited in 2023-24 with  
**1800+** offers

Students got offers from  
**Google** at a package of  
**60 Lakhs** & a package of  
**44 Lakhs** from  
**amazon** & **YugaByte**

**20%**  
Growth in highest  
package with the  
highest being  
**60 Lakhs**

**45%**  
students placed  
in MNCs with a  
package above  
**6 Lakhs**
