

DREAM JOBS BEGIN @MBU

 Sumanaswini  ₹60LPA	 Harshavika  ₹60LPA	 Vatsalya Polineni  ₹60LPA	 Lakshmi Prasanna  ₹45LPA
 Pavitra Reddy  ₹44LPA	 Putta Reddy  ₹32LPA	 Hakeem Aswath Basha  ₹32LPA	 Raparti G Aamreen  ₹32LPA

VIBRANT CAMPUS LIFE

- 65+ Hobby Clubs
- 13 IEEE Technical Societies
- 12 ACM Special Interest Groups
- 45 Acre CCTV Secured Campus
- Sports Infrastructure for Cricket, Basketball, Football, Badminton, Volleyball, Lawn Tennis
- 5 Star Rated Hostel Facility

GLOBAL ADVANTAGE @MBU

International collaborations with Top 100 Global Universities for Student Exchange and Study Abroad Programs

JOINT CERTIFICATION PROGRAMS WITH TOP INTERNATIONAL UNIVERSITIES

RANKINGS AND ACCREDITATIONS*

*All the Accreditations and Recognitions are for SVET Colleges now known as Mohan Babu University

GAIN MASTERY OF THE FUTURE

With CSE-Data Science @ MBU

Dream Big. Achieve Bigger.

Dr. M Mohan Babu
Chancellor, Mohan Babu University

Are you ready to embark on a journey where technology meets innovation, and data transforms into insights? At Mohan Babu University, we take pride in introducing our cutting-edge B.Tech Computer Science and Engineering (Data Sciences) program. In a world driven by data, our program is meticulously crafted to shape the next generation of data scientists and engineers.

Our 4-year B.Tech Computer Science and Engineering (Data Science) program is designed to cultivate skilled professionals with a unique blend of computer science, data analysis, and business acumen. In an era where data is the new currency, our curriculum is curated to equip students with essential skills such as programming, statistical analysis, machine learning, mathematical reasoning, knowledge discovery, and data visualization. By blending theoretical

knowledge with practical applications, our students are prepared to make a significant impact in the dynamic field of data science.

Join us at Mohan Babu University's Department of Data Sciences and become a part of a vibrant community of learners, innovators, and future data leaders. Let your passion for technology and data thrive in an environment that encourages creativity and excellence.

Empower your future with data at Mohan Babu University!

PROGRAM HIGHLIGHTS

- Research-Based Pedagogy: Engage with modern teaching methods like Flipped Classrooms, Project-Based Learning, and Mind-Mapping.
- Cutting-Edge Curriculum: Designed to address emerging fields such as Big Data Analytics, Machine Learning, and Artificial Intelligence.
- Expert Guidance: PhD-qualified professors with vast experience in Data Science research and application.
- State-of-the-Art Labs: Access advanced computing facilities for hands-on data analysis and algorithm development.
- Internships: Collaborate with top companies on live data projects to enhance employability.
- MOOCs: Specialize in domains like Deep Learning, Natural Language Processing, and Cloud Data Management.
- Technical Chapters: Active participation in ASM and IEEE student chapters for technical knowledge sharing.
- Industrial Visits: Explore the application of data-driven insights in real-world business scenarios.
- Outreach Activities: Work on data-driven solutions for societal challenges, impacting real-world decision-making.
- IBM and L&T Partnerships: Gain expertise in data-centric solutions, directly interacting with industry experts.
- Global Certifications: Get certified in Amazon Web Services (AWS), Google Cloud Platform (GCP), and Salesforce to enhance your credentials in data-related roles.

WHY CHOOSE THIS PROGRAM?

THE MBU ADVANTAGE

- Academic to Industry Program: Transform academic concepts into practical, industry-applicable skills.
- Continuous Evaluation Program for Placement Readiness: Develop interview readiness and technical competencies through ongoing assessments.
- Training for English Proficiency: Hone communication skills to thrive in international workplaces.
- Diverse Learning Opportunities: Explore cutting-edge topics such as Predictive Modeling, IoT, and Data Visualization.
- Exclusive MoUs: Placement opportunities with leading tech and data firms globally.
- Hands-On Experience: Gain experience with real-world datasets and analytics tools like Python, R, and Tableau.
- Dynamic Campus Environment : Participate in hackathons, technical fests, and research collaborations to enhance your problem-solving skills and build a strong professional network.

INSTITUTIONAL PLACEMENTS

110+
Multinational Corporations
visited in 2023-24 with
1800+ offers

20%
Growth in highest
package with the
highest being
60 Lakhs

Students got offers from
Google at a package of
60 Lakhs & a package of
44 Lakhs from
amazon & **YugaByte**

45%
students placed
in MNCs with a
package above
6 Lakhs
