EMPOWER YOURSELF

WITH ENGLISH PROFICIENCY FOR A SUCCESSFUL CAREER @MBU

TEP Programme:

Training for English Proficiency (TEP) is an English language certification exam for Indian students and job-seekers.

This test will help students, institutions and employers assess the four basic skills of effective communication, reading, writing, listening and speaking.

The TEP uses the latest testing techniques and advanced technologies to deliver a practical, engaging and reliable test.

Highlights of the programme:

*Personalised learning content based on student's proficiency.

*Adaptive learning appropriate for all levels.

*Detailed instructions, practice sessions, interactions, feedback and assessments.

*Adapted to Indian context to make it relevant and ensure better understanding.

*TEP score on par with International standards (CEFR scale).

How TEP works:

- Onboarding:** All the B. Tech students of MBU will be onboarded with their personal information into the TEP portal by the department.
- Test Format:** TEP consists of multiple sections that assess various language skills, including:
 - Reading:** Candidates read passages and answer questions to demonstrate comprehension skills.
 - Writing:** Candidates may be required to write essays or respond to prompts to demonstrate writing proficiency.
 - Listening:** Candidates listen to recordings of conversations, lectures, or other audio materials and answer questions based on what they heard.
 - Speaking:** Candidates participate in spoken interactions or deliver short speeches to demonstrate oral communication skills.
- Test Administration:** Candidates have to take the assessment in the University with their own laptop, following the instructions provided by test administrators. A screening test will be conducted before commencement of the course to know the initial level of the student.
- Screening Test:** 30-minute long assessment to understand current language levels of student.
Course content is assigned to each individual based on their performance in the test.
- The students get to learn, interact and clear their doubts with the mentor during lab sessions.
- TEP Train Online Training**
 - 50 hours programme of individualized online training, providing learners an immersive experience, aimed to master communication at all levels.
 - Learning module designed to improve every aspect of English language learning – Listening, Speaking, Reading and Writing.
 - Personalized learning content based on student's proficiency.
 - Adaptive learning appropriate for all levels.
 - Detailed instructions, practice sessions, interactions, feedback and assessment.
- Final Test :** The final assessment will be conducted for Certification.

A 70-minute customizable, adaptive online test that helps institutions identify their students' current level of English language proficiency.

Scoring: After completing the test, responses are scored based on predetermined criteria. Each section of the exam typically contributes to an overall score, which reflects the candidate's level of English proficiency.

Score Reporting: Once scoring is complete, candidates receive their score reports, which indicate their performance on each section of the exam as well as their overall proficiency level.

TEP score benchmarked to global standards (CEFR scale) as well as the needs of employers

CEFR	LEVEL	TOEFL	IELTS	TEP	Required for roles in...
